WORK EXPERIENCE

Software Developer Intern | Prosper IT Consulting - Portland, OR (*remote*)   **Nov 2022 - Dec 2022**

- C# – Using a code first ASP.NET Entity Framework and Visual Studio, I collaborated with a team of developers to deliver a web application with CRUD functionality and MVC architecture in C#. Our team used Azure DevOps for project management and Agile / SCRUM methodology to plan and organize our project stories, and Git for version control.
- Python – Using Django, our team developed an MVC web application with CRUD functions that utilizes web scraping with Beautiful Soup and JSON, and connects to a RESTful API. As before, our team used Azure DevOps, Agile / SCRUM, and Git.

Sous Chef | Standing Stone Brewing Co. - Ashland, OR   **Jan 2018 - Dec 2020**

- Trained and managed a kitchen crew capable of handling continuous orders for the largest restaurant in Ashland, Oregon. Created weekly specials focusing on economical ingredients. Ability to see what needs to get done and strategize an effective solution utilizing excellent time-management skills. Tracked inventory and facilitated ordering from multiple vendors. Exceptional flavor palette and excellent knife skills.

Trail Crew Member | Siskiyou Mountain Club - Ashland, OR *(Seasonal)*   **Feb 2012 - Jul 2016**

- Cooperated with crew members in Oregon wilderness areas during multi-week stints to clear historic trails. Communicated daily via radios with the Forest Service to ensure safety and relay updates on project progress. Nicknamed 'The Bulldozer'.
